

Summer Holidays 2014 - Timetables

GENERAL INFORMATION

All sessions will have age appropriate activities every day such as Lego, loom bands and a child initiated 'themed' junk modelling project. We will also have a special 'guest' activity in addition! Our activities are aimed at promoting life skills for the children, outdoor and messy activities. We aim to encourage team activities, learn new things whilst having lots of fun, mixing with friends new and old ☺. Although sessions are aimed at specific age groups, this does not mean that older younger children are not welcomed or siblings in a different age band. The activities are planned to engage children of the given age, however you know your child and are welcome to use your judgment as to whether they would enjoy the activities and book them on to any session.

All Star Kids are Ofsted registered, have a team of practitioners who are appropriately qualified in childcare and first aid trained, all have been CRB/DBS checked. The maximum child to adult ratio will be 1:8.

We believe in using the natural environment all around us to inspire children and enhance their learning experiences whilst having fun. Children will wear High Vis vests at all times to ensure we know exactly where they are whilst we explore the wonders that the outside can offer. We will go outdoors in most weathers so please ensure your children are dressed appropriately, they will get messy. Please feel free to supply spare clothing!!! There is no need to provide refreshments for your children as we will offer water and a healthy snack during our sessions that the children can help to prepare.

A full list of activities will be available on our facebook page(All Star Kids , Wickford-Essex) and website throughout the summer.

Discover, Explore & Experiment! Let your creative spirit go wild with this fun-packed mix of practical and outdoor sessions based around science, nature + craft!

Week 1

<i>Date</i>	<i>AM Session 9.30-12.30 4-7 year olds</i>	<i>PM Session 1.15-4.15 7-11 year olds</i>
TUESDAY 29TH JULY	<p>Special Activity of the Day: MODROC, PART 1 Getting messy and making your masterpiece!! Similar to plaster of Paris, can be sculpted and moulded, then glued, painted and decorated. It needs drying time so there is 2 sessions to this activity.</p> <p>Part 2 is on Thursday 31st July!</p>	
WEDNESDAY 30TH JULY	<p>First Aid 4 Kids: Guest of the day is an Ofsted approved first aid trainer. He will deliver short basic first aid workshops for the children including how to call for emergency services, bandage a wound, offer CPR and place a person in a recovery position.</p> <p>We will also be exploring the woods, and talking about risk management and safety.</p>	
THURSDAY 31ST JULY	<p>Special Activity of the Day: MODROC, Part 2 Finishing Touches, Painting and decorating your master piece from 29th July in session 1. For newcomers there will be a chance to make models from quick drying clay.</p>	

Week 2

<i>Date</i>	<i>AM Session 9.30-12.30 4-7 year olds</i>	<i>PM Session 1.15-4.15 7-11 year olds</i>
TUESDAY 5TH AUGUST	Discover and do: Trying something new or take part in something you already enjoy...Painting on Canvas, lets try our hands at copying something you see in the park or make your own creation.	RSPB– A special guest from the RSPB will be telling us about our local birds + wildlife and how we can help protect them. Other activities to compliment the outdoor theme may include making lolly-stick bird-boxes and other animal-friendly feeders, perches and hedgehog houses. Bird watching and a Bug Hunt.
WEDNESDAY 6TH AUGUST	Photography: Bring your own camera or use our ones (Limited available). Today we will be exploring the woods and area around the park, using our artistic talent to take pictures and edit them. They will then be uploaded onto a computer (where appropriate by the children). Your 5 favourite pictures can be printed and collected from Pastels2Paint along the high street in Wickford.	
THURSDAY 7TH AUGUST	Dogs Trust: Guest of the day is a representative of our local dogs trust. There will be many activities and craft opportunities and a little bit of information about how to look after your pet dog and to be safe around dogs when you are out and about. There may be a surprise visit from All Star Kids pet dog!!	

Week 3

<i>Date</i>	<i>AM Session 9.30-12.30 4-7 year olds</i>	<i>PM Session 1.15-4.15 7-11 year olds</i>
TUESDAY 12TH AUGUST	What happens if..... Collecting most of our materials from woods and some bought in! We can use them to make Sun dials, wind chimes Branch weaving, Nature Pressing & Nature wreaths.	
WEDNESDAY 13TH AUGUST	Explore + Learn: Looking at different seeds and planting them, which will grow the quickest? Design and make your own worm farm to take home or let us nurture for you! Collect food and hunt for some worms and learn about how good they are for our gardens☺	
THURSDAY 14TH AUGUST	RSPB: A special guest from the RSPB will be telling us about our local birds + wildlife and how we can help protect them. Other activities available to compliment the outdoor theme, making lolly-stick bird-boxes and other animal-friendly feeders, perches and hedgehog houses. Bird watching and a Bug Hunt? RSPB-	Discover and Do: Discover and do: Trying something new or take part in something you already enjoy...Painting on Canvas, lets try our hands and copying something you see in the park or make your own creation. We can also try our hands at Collages – children can find lots of interesting things on a nature walk then make a wonderful collage.

Week 4

<i>Date</i>	<i>AM Session 9.30-12.30 4-7 year olds</i>	<i>PM Session 1.15-4.15 7-11 year olds</i>
TUESDAY 19TH AUGUST	Food Art: Discover new foods and how we grow them, and then make art from food! Anything from dried pasta and rice to fruit and veg to make stamps or sculptures! Also visiting today to support us with outdoor safety information is a representative from the local fire service.	
WEDNESDAY 20TH AUGUST	Den Building and story Telling: Learn how to make your very own den that you can sit and read stories in, Maybe act out or draw a scene from a book you have read today. The ideas are endless.	
THURSDAY 21ST AUGUST	Sketching: live art, try to draw a bug/tree or one of your friends, from a photo you have taken or handouts.	

Week 5

<i>Date</i>	<i>AM Session 9.30-12.30 4-7 year olds</i>	<i>PM Session 1.15-4.15 7-11 year olds</i>
